Dear Pak Danar,

Thank you for the data update. We confirm receipt of the updated boundary data and the revised Annex 2 Disclosure.

The compensation team has reviewed and accepted the revised Annex 2, and we are currently updating the RSPO Concession master database and GeoRSPO. Following our monthly data migration, the updated concession is expected to be published on GeoRSPO by 14 November 2026.

We will reach out if any further information or clarification is needed. Thank you for your patience.

Best regards,
-Syahirah-
